

Ballymun Intercultural Group

***'Ballymun Intercultural Group
works to raise awareness of
interculturalism and promote
integration in Ballymun'***

We aim to:

- ***Promote balanced information and provide accurate facts relating to asylum seekers, refugees, migrant workers and Travellers.***
- ***Encourage positive communication and understanding among the diverse communities of Ballymun.***
- ***Respond to local issues and highlight issues relating to interculturalism.***

Our Objectives

- To support existing national campaigns through four main celebration dates
 - 1 National Week against Racism
 - 2 Refugee Day
 - 3 Anti-Racism in the Workplace
 - 4 Human Rights Day
- To facilitate and encourage intercultural and diversity training for new and established communities
- To research and collate data on new communities living in Ballymun and to carry out a needs analysis which will inform our future work plan
- To organise opportunities to provide information for service providers and minority ethnic groups.
- To support local service providers in providing services for minority ethnic groups.
- To design and compile a welcome booklet that is accessible and practical for all new people living or working in Ballymun

Our group is always open to new members and individuals
